Kennedy

may incorporate the

provision of an

exit contract

so they know—

any licensed teacher

can be employed in
a charter

not in a school district

don't want to employ

people who are

unemployed —

concerned by hiring teachers

not already in public

schools

From the office of
Senator Ember D. Reichgott

not a teacher

evaluated in a thing

employed by school

not every teacher

collective bargaining

rejected

Albert Shanker

would work for collective

people
