Responsive Goals Directory

Category	Subject	Measure	Assessment/Data Source	Target Set	Differentiated	School Types
Academic Achievement & Growth	Math	Achievement -- Percent to reach expected performance level	State assessment	Aspirational	Differentiated by (re)engagement level	AECs
Academic Achievement & Growth	ELA	Achievement -- Percent to show expected performance level	State assessment	Baseline data	Differentiated by (re)engagement level	AECs
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate - Adjusted chronic absenteeism rates	Transcripts/records	Normative data	Differentiated from general education schools	AECs
Academic Achievement & Growth	Math and Reading	Assessment -- School has to select an assessment	Interim Assessment			AECs
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate	Transcripts/records	External requirement	Goal language allows for differentiated targets	All charters
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate	Transcripts/records	External requirement		All charters
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate	Transcripts/records	Baseline data	Goal language allows for differentiated targets	AECs
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate -- Chronic absenteeism rate	Transcripts/records	External requirement		All charters
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate -- Comparative by subgroup	Transcripts/records	Baseline data		AECs
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Attendance rate -- Percent meeting attendance goals	Transcripts/records	Baseline data	Goal language allows for differentiated targets	AECs
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Attendance rate -- Percent meeting attendance goals	Transcripts/records	Aspirational	Goal language allows for differentiated targets	AECs
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate -- Percent of student to show improvement in attendance rates from one term to the next	Transcripts/records	Baseline data	Differentiated by (re)engagement level	AECs
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate -- Percent showing improvement in attendance rate	Transcripts/records	Baseline data	Goal language allows for differentiated targets	AECs
School Climate, Student Engagement, Social-Emotional Development	Attendance	Attendance rate or increase in attendance rate	Transcripts/records	Aspirational		AECs
High School Completion	Credit Completion	Course completion -- Percent completing 4 courses/2 credit per semester	Transcripts/records	Baseline data		All charters
High School Completion	Credit completion	Course earning rate -- Differentiated course completion rate	Transcripts/records	Aspirational	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	Credit completion	Credit earning rate -- Average	Transcripts/records	Baseline data		All charters

Category	Subject	Measure	Assessment/Data Source	Target Set	Differentiated	School Types
High School Completion	Perseverance	Credit earning rate -- First time 9th graders	Transcripts/records	Baseline data	Differentiated by (re)engagement level	All charters
High School Completion	Credit Completion	Credit earning rate -- Percent earning credits or showing improvement in percent of credits earned year over year	Transcripts/records	Baseline data	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	Credit completion	Credit earning rate -- Percent of students meet their credit attainment goal	Transcripts/records	Aspirational	Goal language allows for differentiated targets	AECs
High School Completion	Credit Completion	Credit earning rate -- Percent of students to earn a minimum percent of the credits they attempted throughout the year	Transcripts/records	Aspirational		AECs
College & Career Readiness	Credit Completion	Credit earning rate -- Percent to graduate with a minimum number of dual enrollment credits	Transcripts/records	Baseline data		AECs
School Climate, Student Engagement, Social-Emotional Development	Perseverance	Drop out rate -- Adjusted drop out rate	Enrollment	Aspirational		AECs
School Climate, Student Engagement, Social-Emotional Development	Perseverance	Drop out rate -- Adjusted drop out rate	Exit definitions	Baseline data		AECs
High School Completion	All subjects	End of Course Exam -- Adjusted end-of-course exam passage rate	High school exit exams	Normative data	Differentiated from general education schools	AECs
Academic Achievement & Growth	ELA	English learner progress	English Language Assessment	Aspirational	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	ELA	English learner progress	English Language Assessment	Baseline data		AECs
Academic Achievement & Growth	ELA	English learner progress -- Participation rate among EL students at required level OR show improvement	English Language Assessment	External requirement	Goal language allows for differentiated targets	AECs
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Enrollment -- Continuous enrollment rate	Transcripts/records	Baseline data		All charters
School Climate, Student Engagement, Social-Emotional Development	School Climate	Exclusionary discipline -- Adjusted suspension rate	Transcripts/records	Aspirational	Differentiated from general education schools	AECs
School Climate, Student Engagement, Social-Emotional Development	School Climate	Exclusionary discipline -- Adjusted suspension rate	Transcripts/records	Normative data	Differentiated from general education schools	AECs
School Climate, Student Engagement, Social-Emotional Development	School Climate	Exclusionary discipline -- Comparative suspension rates	Transcripts/records	Baseline data	Differentiated from general education schools	AECs
College & Career Readiness	Perseverance	Exit exams -- Percent of the 3rd, 4th, and 5th year cohort passing 3 out of 5 high school exit exams, compared to similar schools (each cohort is a separate measure)	State assessments	Similar schools comparison	Differentiated from general education schools	AECs

Category	Subject	Measure	Assessment/Data Source	Target Set	Differentiated	School Types
Academic Achievement & Growth	All subjects	Expected performance rate	State assessment	Baseline data	Differentiated by (re)engagement level	AECs
Academic Achievement & Growth	Social Studies	Expected performance rate	State assessment	Baseline data	Differentiated by (re)engagement level	AECs
College & Career Readiness	Post-secondary Readiness	FAFSA completion rate	FAFSA reports	Aspirational		All charters
College & Career Readiness	Post-secondary Readiness	FAFSA completion rate compared to local average	FAFSA reports	Normative data		All charters
Academic Achievement & Growth	All subjects	Goal achievement rate on individual students' personalized learning plan	Transcripts/records	Aspirational	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	Grade point average (GPA)	GPA -- Achieve a minimum GPA or show improvement	Transcripts/records	Aspirational	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	Grade point average (GPA)	GPA -- Annual (snap shot) GPA	Transcripts/records	Baseline data	Differentiated by (re)engagement level	AECs
Academic Achievement & Growth	Grade point average (GPA)	GPA -- Annual (snap shot) GPA	Transcripts/records	Aspirational	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	Grade Point Average (GPA)	GPA -- Year over year improvement in students' snapshot GPA	Transcripts/records	Aspirational	Goal language allows for differentiated targets	All charters
Academic Achievement & Growth	Math and Reading	Grade level content standards -- Percent mastering grade level content standards or showing improvement	Externally valid and standardized assessments of math, selected by the school	External requirement		All charters
Academic Achievement & Growth	Math and Reading	Grade level equivalency	State Assessment or nationally normed assessment	Normative data	Differentiated from general education schools	All charters
Academic Achievement & Growth	Math and Reading	Grade level equivalency	Transcripts/records	Normative data	Differentiated from general education schools	All charters
High School Completion	Perseverance	Graduation rate -- 1 year	Transcripts/records	External requirement	Differentiated from general education schools	AECs
High school completion	Perseverance	Graduation rate -- 1 year	Transcripts/records	Aspirational	Differentiated from general education schools	AECs
High School Completion	Perseverance	Graduation rate -- 5 Year ACGR	Transcripts/records	External requirement		All charters
High School Completion	Perseverance	Graduation rate -- 6-Year ACGR	Transcripts/records	External requirement	Differentiated from general education schools	AECs
High School Completion	Perseverance	Graduation rate -- adjusted cohort	Transcripts/records	External requirement		All charters
High School Completion	Perseverance	Graduation rate -- 1 year Percent of seniors (based on credit, not age) to graduate by the end of the year	Transcripts/records	Aspirational	Differentiated from general education schools	AECs
High School Completion	Perseverance	Graduation rate -- adjusted cohort, by subgroup	Transcripts/records	Normative data	Differentiated from general education schools	AECs
High School Completion	Perseverance	Graduation rate -- adjusted cohort, by subgroup	Transcripts/records	External requirement		All charters

Category	Subject	Measure	Assessment/Data Source	Target Set	Differentiated	School Types
High School Completion	Perseverance	Graduation rate -- Difference between 4-year and extended high school graduation rates	Transcripts/records	Normative data	Differentiated from general education schools	AECs
High School Completion	Perseverance	Graduation rate -- Five-year rolling average graduation rate for students in mission identified subgroups (foster youth, homeless, and formerly adjudicated)	Transcripts/records	Baseline data	Goal language allows for differentiated targets	AECs
High School Completion	Perseverance	Graduation rate -- passage rate on end of course exams	Transcripts/records	External requirement	Differentiated from general education schools	AECs
High School Completion	Perseverance	Graduation rate -- Similar schools comparison of 4-year and 6-year pass rates	Transcripts/records	External requirement	Differentiated from general education schools	AECs
High School Completion	Perseverance	Graduation rate -- Similar schools comparison of 4-year and 6-year pass rates by subgroup	Transcripts/records	External requirement	Differentiated from general education schools	AECs
Academic Achievement & Growth	Math and Reading	Growth -- Conditional Growth Index score will be at 50th percentile or improve	NWEA MAP	Normative data		All charters
Academic Achievement & Growth	Math and Reading	Growth -- Conditional Growth Percentile will be at the 40th percentile.	NWEA MAP	Normative data	Differentiated from general education schools	AECs
Academic Achievement & Growth	ELA	Growth -- Fall to spring difference in grade level performance	Scantron	External requirement	Differentiated by (re)engagement level	AECs
Academic Achievement & Growth	ELA	Growth -- Fall to spring difference in grade level performance	Star 360	Baseline data	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	Math and Reading	Growth -- Improvement in median score over the prior year	PSAT, SAT for math and evidence based reading and writing	Normative data		All charters
Academic Achievement & Growth	Math and Reading	Growth -- Median conditional growth percentile of 50	Externally valid and standardized assessments of math, selected by the school	Normative data		All charters
Academic Achievement & Growth	Math and Reading	Growth -- Median growth percentile--Average	Externally valid and standardized assessments of math, selected by the school	External requirement		All charters
Academic Achievement & Growth	Math and Reading	Growth -- Percent met or exceeded typical growth	Externally valid and standardized assessments of math, selected by the school	External requirement		All charters

Category	Subject	Measure	Assessment/Data Source	Target Set	Differentiated	School Types
Academic Achievement & Growth	Math and Reading	Growth -- Percent met or exceeded typical growth	Externally valid and standardized assessments of math, selected by the school	External requirement		All charters
Academic Achievement & Growth	Math and Reading	Growth -- Percent of students to meet expected growth target	Star 360- reading	Aspirational		AECs
College & Career Readiness	Post-secondary Readiness	Growth -- Percent of students to show improvement in their employability profile score over the course of the year	Modified state employability profile	Baseline data		AECs
Academic Achievement & Growth	Math	Growth -- Percent to achieve a growth percentile of 50 or to improve within their quantile level by a least 1/3rd a level	Externally valid and standardized assessments of math, selected by the school	Baseline data	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	Math	Growth -- Percent to reach a minimum proficiency level or to show fall to spring test improvement	Star 360- math	Aspirational	Differentiated by (re)engagement level	AECs
Academic Achievement & Growth	Math	Growth -- Percent to reach a minimum proficiency level or to show pre-post test improvement	Scantron Performance Series	External requirement	Differentiated from general education schools	AECs
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Growth -- Percent with improvement in engagement phase	Re-engagement level	Aspirational	Differentiated by (re)engagement level	AECs
School Climate, Student Engagement, Social-Emotional Development	Social-Emotional Development	Growth in social- emotional well-being	Social-emotional development survey	Baseline data	Differentiated from general education schools	AECs
Academic Achievement & Growth	ELA	Growth percentile or Lexile level improvement	Externally valid and standardized assessments of math, selected by the school	Baseline data		AECs
School Climate, Student Engagement, Social-Emotional Development	Social-Emotional Development	Improvement in parenting attitudes and beliefs	Adolescent and Adult Parenting Inventory	Normative data	Differentiated from general education schools	AECs
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Participation rate	Academic assessment of school's choice	Baseline data	Differentiated from general education schools	All charters
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Participation rate	Scantron Performance Series	Aspirational	Differentiated from general education schools	AECs
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Participation rate	School Climate Survey	Aspirational	Differentiated from general education schools	AECs
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Participation rate	School Climate Survey	Aspirational		AECs
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	Participation rate or improvement in participation rate on academic assessments	NWEA MAP	Baseline data	Goal language allows for differentiated targets	All charters
College & Career Readiness	Perseverance	Percent on-track	Transcripts/records	Baseline data	Differentiated by (re)engagement level	AECs

Category	Subject	Measure	Assessment/Data Source	Target Set	Differentiated	School Types
High School Completion	Perseverance	Percent on-track to complete year successfully rate	Transcripts/records	Aspirational	Goal language allows for differentiated targets	AECs
School Climate, Student Engagement, Social-Emotional Development	School Climate	Percent responding positively	School Climate Survey	Aspirational	Differentiated from general education schools	AECs
School Climate, Student Engagement, Social-Emotional Development	School Climate	Percent responding positively	School Climate Survey	Baseline data		AECs
School Climate, Student Engagement, Social-Emotional Development	School Climate	Percent responding positively	Youth Truth Survey	Normative data		AECs
College & Career Readiness	Perseverance	Positive Transition -- Percent of exiting students to make a positive transition	Transcripts/records	Aspirational	Differentiated by (re)engagement level	All charters
College & Career Readiness	Post-secondary Readiness	Positive Transition -- Percent of graduates to exit with at least one Market Value Assets	Transcripts/records	Aspirational	Differentiated by (re)engagement level	AECs
High School Completion	Perseverance	Positive Transition Rate	Transcripts/records			AECs
College & Career Readiness	Post-secondary Readiness	Post-secondary matriculation rate	Post-Secondary Matriculation Index (attend post-secondary, are employed, enlist in the military)	Aspirational	Differentiated from general education schools	AECs
College & Career Readiness	Post-secondary Readiness	Prepared for Success Rate	College & Career Ready Index	External requirement		All charters
High School Completion	Perseverance	Promotion rate -- Annual grade promotion rate	Transcripts/records	Aspirational		AECs
School Climate, Student Engagement, Social-Emotional Development	School Climate	Re-enrollment rate	Transcripts/records	Aspirational	Differentiated by (re)engagement level	AECs
School Climate, Student Engagement, Social-Emotional Development	School Climate	Re-enrollment rate	Transcripts/records	Baseline data		All charters
School Climate, Student Engagement, Social-Emotional Development	School Climate	Re-enrollment rate	Transcripts/records	Aspirational		All charters
College & Career Readiness	Post-secondary Readiness	Readiness -- Score on the state's college and career readiness index for each subgroup	College & Career Ready Index	External requirement	Differentiated from general education schools	AECs
Academic Achievement & Growth	Math and Reading	Rubric -- Percent meeting criteria	Exhibition rubric	Baseline data	Differentiated from general education schools	AECs
College & Career Readiness	Post-secondary Readiness	Rubric -- Percent meeting minimum number of competencies or progressing toward that minimum	Worksite Readiness Rubric	Aspirational	Goal language allows for differentiated targets	AECs
College & Career Readiness	Post-secondary Readiness	Rubric -- Percent meeting mutually agreed upon criteria	College & Career Readiness Index (developed during the A-GAME process)	Baseline data	Differentiated by (re)engagement level	AECs

Category	Subject	Measure	Assessment/Data Source	Target Set	Differentiated	School Types
School Climate, Student Engagement, Social-Emotional Development	Family Engagement	School Activities -- Number of individual activities schools offer families	Communication activities	Baseline data	Goal language allows for differentiated targets	All charters
School Climate, Student Engagement, Social-Emotional Development	School Climate	School agreement	Panorama	Baseline data	Goal language allows for differentiated targets	All charters
School Climate, Student Engagement, Social-Emotional Development	Social-Emotional Development	SEL -- Change in average scale score	Panorama	Baseline data	Goal language allows for differentiated targets	All charters
School Climate, Student Engagement, Social-Emotional Development	Student Engagement	SEL -- Participation rate, percent responding positively	Panorama	Baseline data	Goal language allows for differentiated targets	All charters
School Climate, Student Engagement, Social-Emotional Development	Social-Emotional Development	SEL -- Percent "competent" or "advanced" on SEL Composite performance level	SISCoLab	Aspirational	Goal language allows for differentiated targets	AECs
Academic Achievement & Growth	Math and Reading	State Exam -- Comparative performance of pregnant/parenting students	State assessments	Normative data	Differentiated by (re)engagement level	AECs
Academic Achievement & Growth	Math and Reading	State Index Score: reading & math	State assessments	External requirement	Differentiated from general education schools	AECs
Academic Achievement & Growth	Credit Completion	Unit completion rate	N/A	Aspirational	Differentiated by (re)engagement level	All charters
